

## BOW

*Coastal Bay and Bow windows project out beyond your exterior wall to create the illusion of additional interior space.*

### Bow Options

Choose from a variety of vent styles.

Bow windows are similar to Bays, but are shallower and more gently curved.

## OPTIONS

All Coastal windows and doors are custom manufactured to your specifications. Choose the size, style and options to complement your island home.

**Colors:**  
Choose from white or bronze.

**Grids:**  
Dimensional for a true divided-lite appearance.

**Glazing:**  
Choose from clear, tint, obscure, laminated, tempered glass and more.

**Installation:**  
Nail Flange or Block Frame. All windows and doors are manufactured with nail flange, allowing for easy installation in new construction. The flange can be easily removed for replacement applications (block frame).

Coastal offers a complete line of vinyl windows and doors manufactured in Hawaii for a lifetime of beauty and performance. Our products have been independently tested and commercially rated to meet or exceed ANSI/AAMA 101-93 standards.

*Simply the Best for Hawaii*

# BAY & BOW *Windows*

Since 1990, Coastal Windows has served the islands with the only vinyl windows and doors designed, manufactured and installed to perform in Hawaii's tropical environment. We understand the challenges presented by Hawaii's unique climate. The harsh sun, wind-driven rain and salt air are a daily concern for island homeowners, and our entire product line has been engineered specifically to meet these challenges.
