

Simply the Best for Hawaii

INVITATION

Factory Tour, Lunch & Window Film Technology Seminar

Wednesday, February 8, 2012

Coastal Windows Manufacturing Facility
Waipio Gentry Business Park
94-533 Puahi Street - Waipahu, Oahu
PH: 676.0529

You are cordially invited to attend a factory tour of Coastal Windows, Inc., followed by a one-hour seminar exploring the latest technologies in the Window Film Industry (AIA/CES Provider; HSW - 1 Learning Credit Unit (LCU)).

Since 1990, Coastal Windows has been designing and manufacturing premium-quality vinyl windows and sliding lanai doors specifically for Hawaii's tropical environment. We are very proud of our state-of-the-art manufacturing facility, and are eager to show you how Coastal's custom engineered product line can meet the design needs of your residential and commercial projects.

Don't miss this unique opportunity to tour our 30,000 sq.ft. manufacturing facility, view the window and door manufacturing process from start to finish, and meet the people who build them. After the tour, enjoy a light lunch while attending a window film technology presentation and informal Q&A session.

Please feel free to call if you have any questions. We look forward to seeing you!

Schedule:

9:30 a.m.	Registration, coffee
